

VAQUERO
1958

West Reading High School

West Reading, Pennsylvania

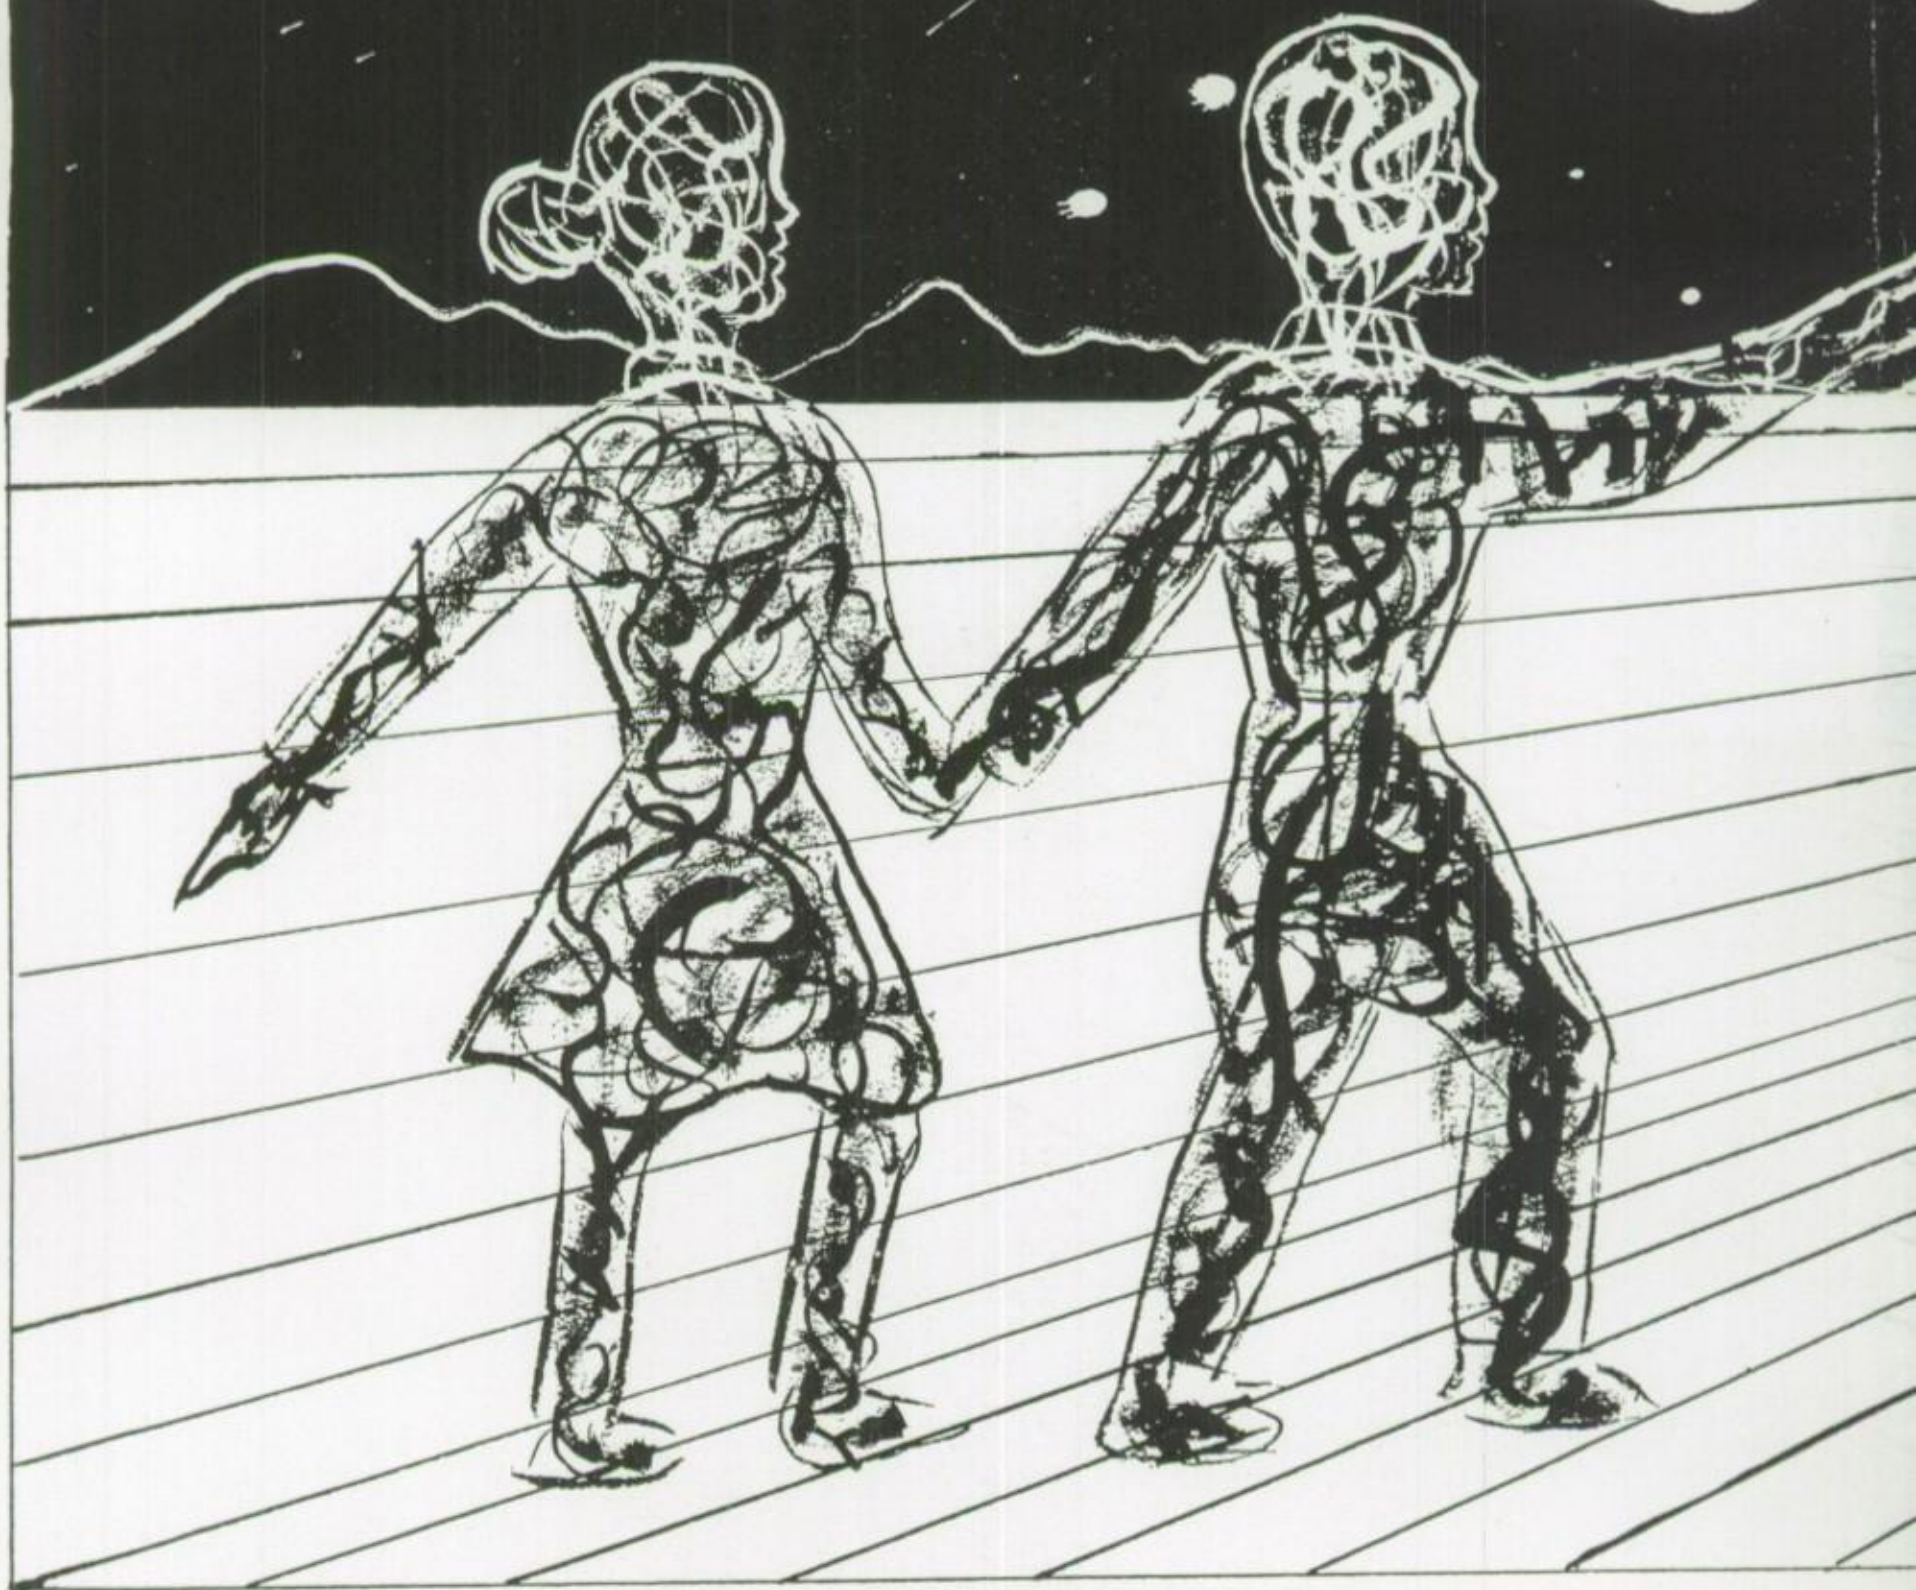

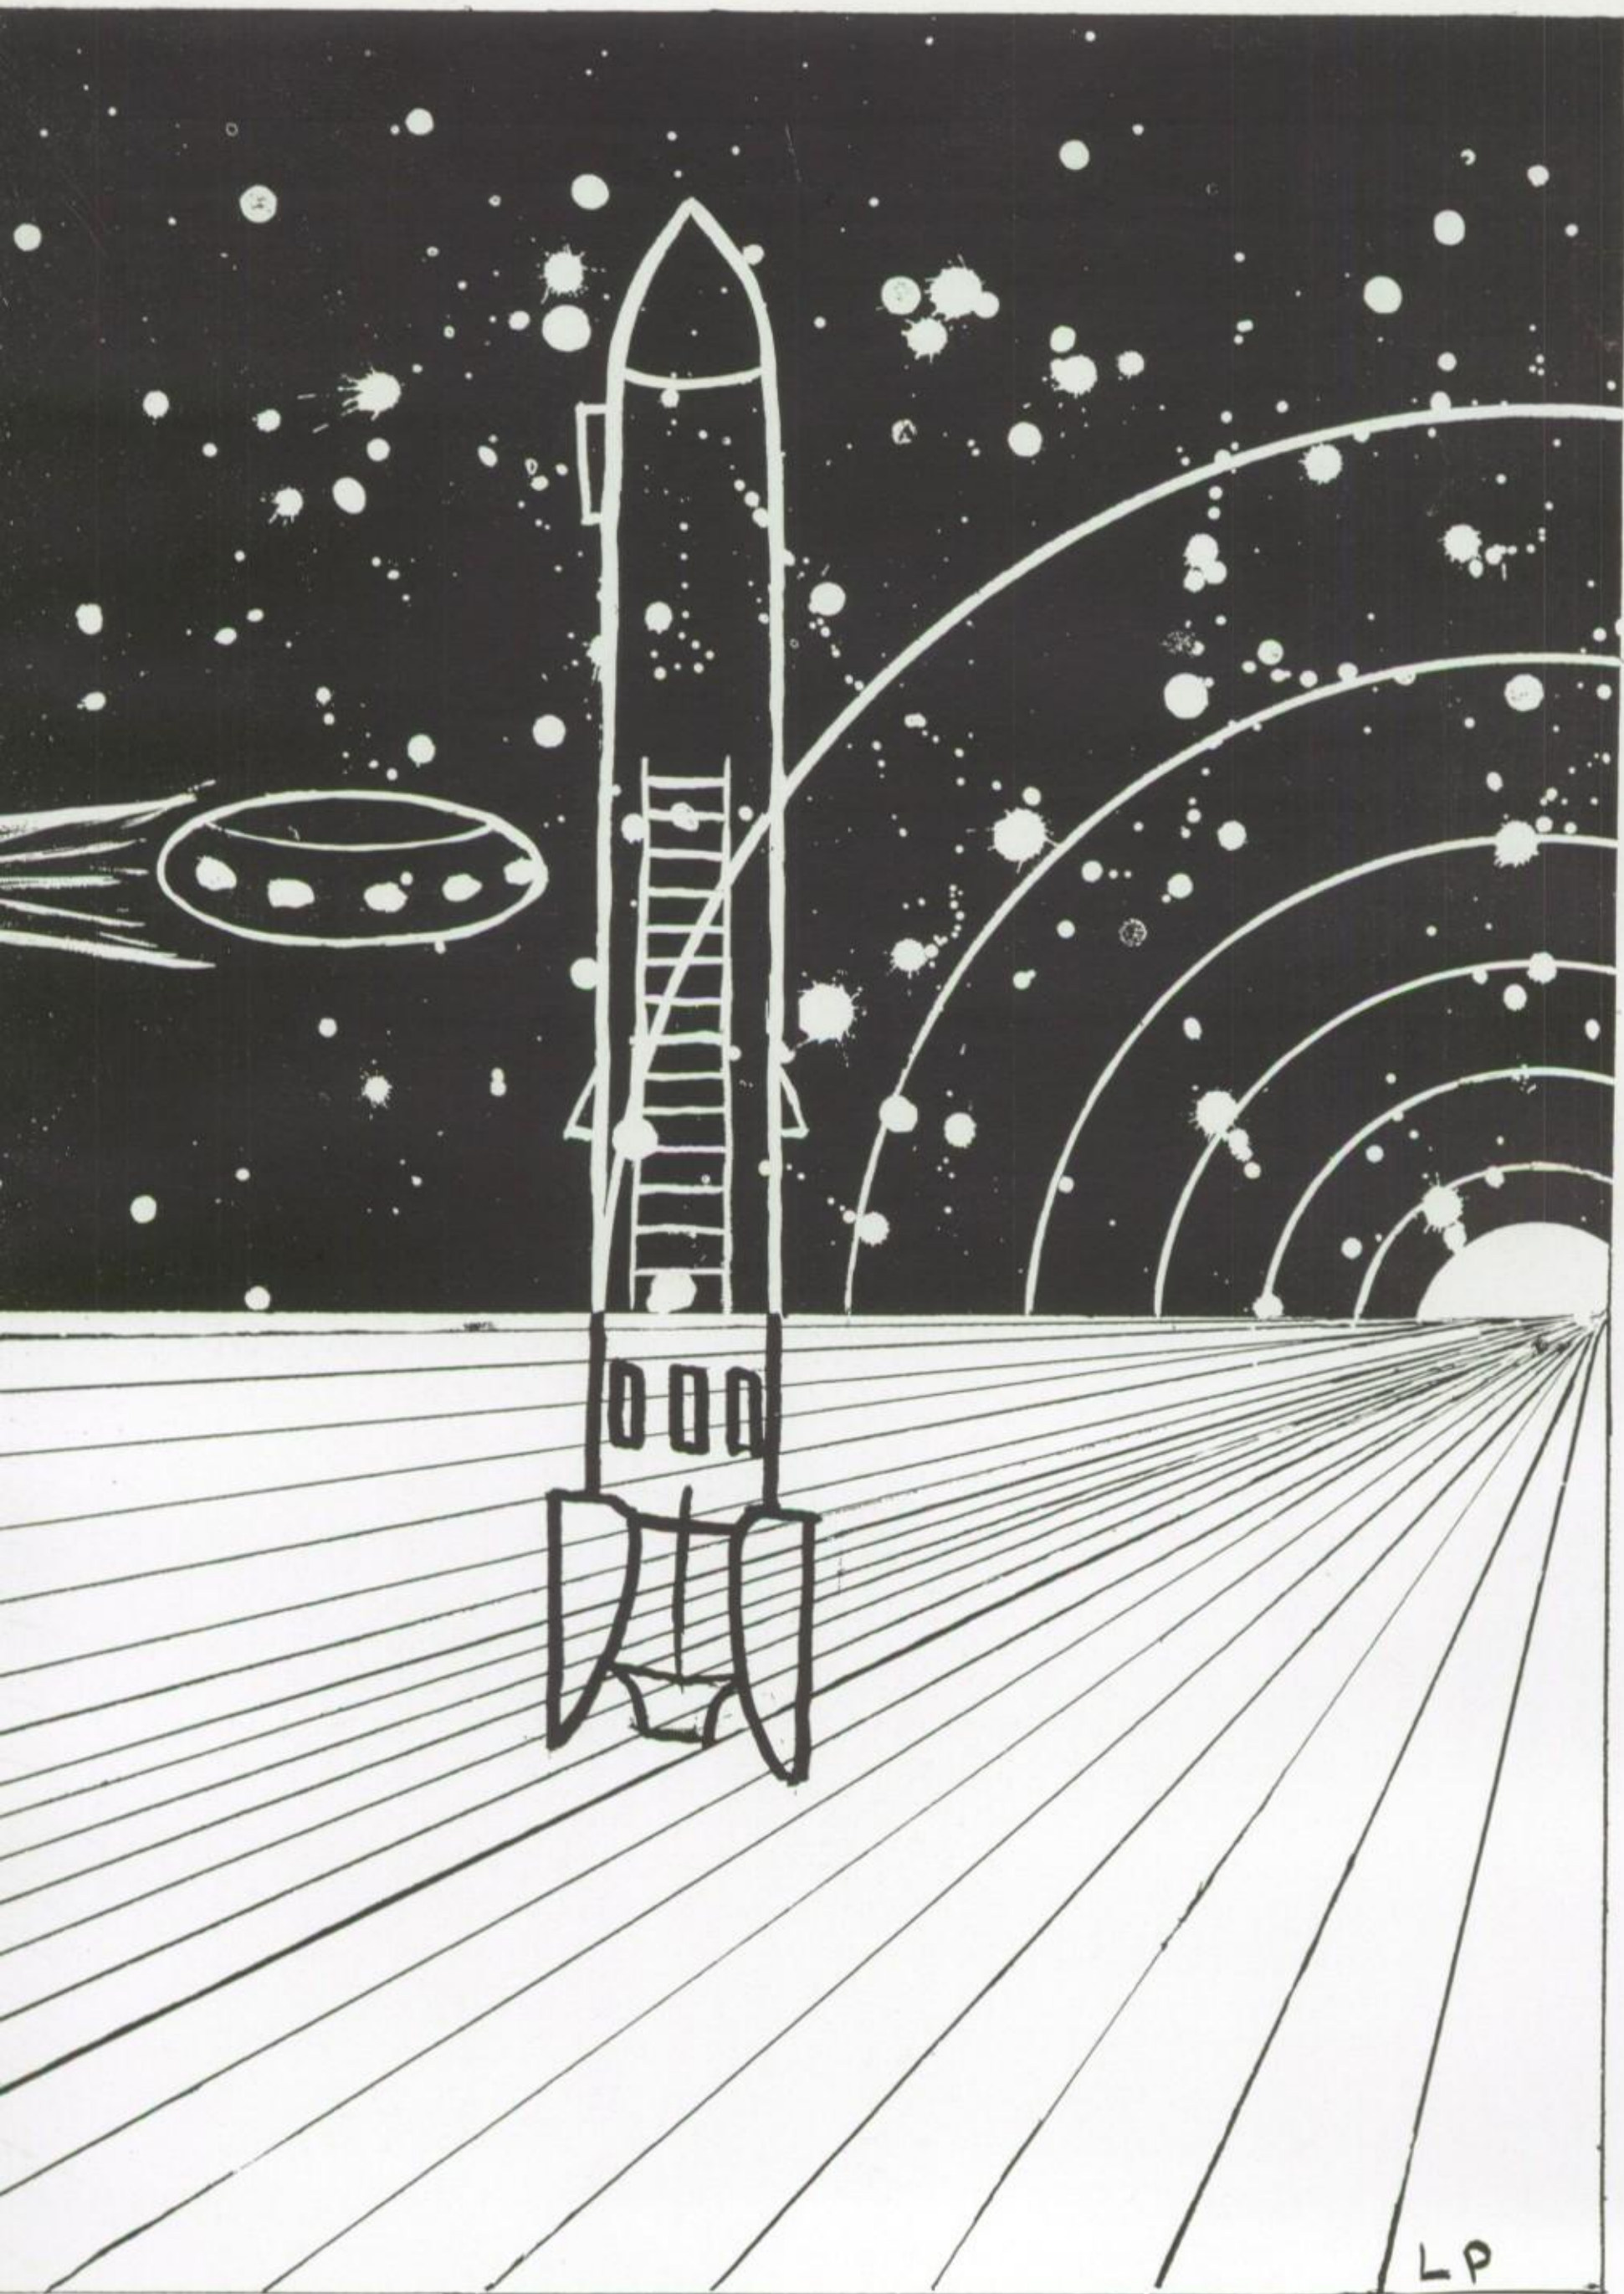

Alma Mater

Hail to thee, West Reading High School,
Stay thy memory ever bright,
Thou our true and guiding spirit,
Helping us to do the right.
May the colors e'er remind us
Of our fight against the wrong,
Maroon that always keeps us loyal,
Steel the symbol of the strong.

When we pass from out thy portals,
From thy all-protecting care,
We shall go prepared for service,
Willing all thy gifts to share.
May thy inspiration guide us,
As the years go passing by,
May our lives bring praise and honor,
Ever to West Reading High.

Foreword

The following pages reveal the accomplishments of each class, activity, and sports event that occurred during the 1957-58 school year.

This year the VAQUERO symbolizes the "Space Age". The theme "New Horizons", indicates the progress yet to be made. In years passed it has shown tradition; this year we have tried to show both tradition and the progress made at West Reading High School.

We would like to extend congratulations to each member of the class of 1958, hoping they find happiness and success in the future.

Ronald W. Smith,
Editor-in-Chief.

Dedication

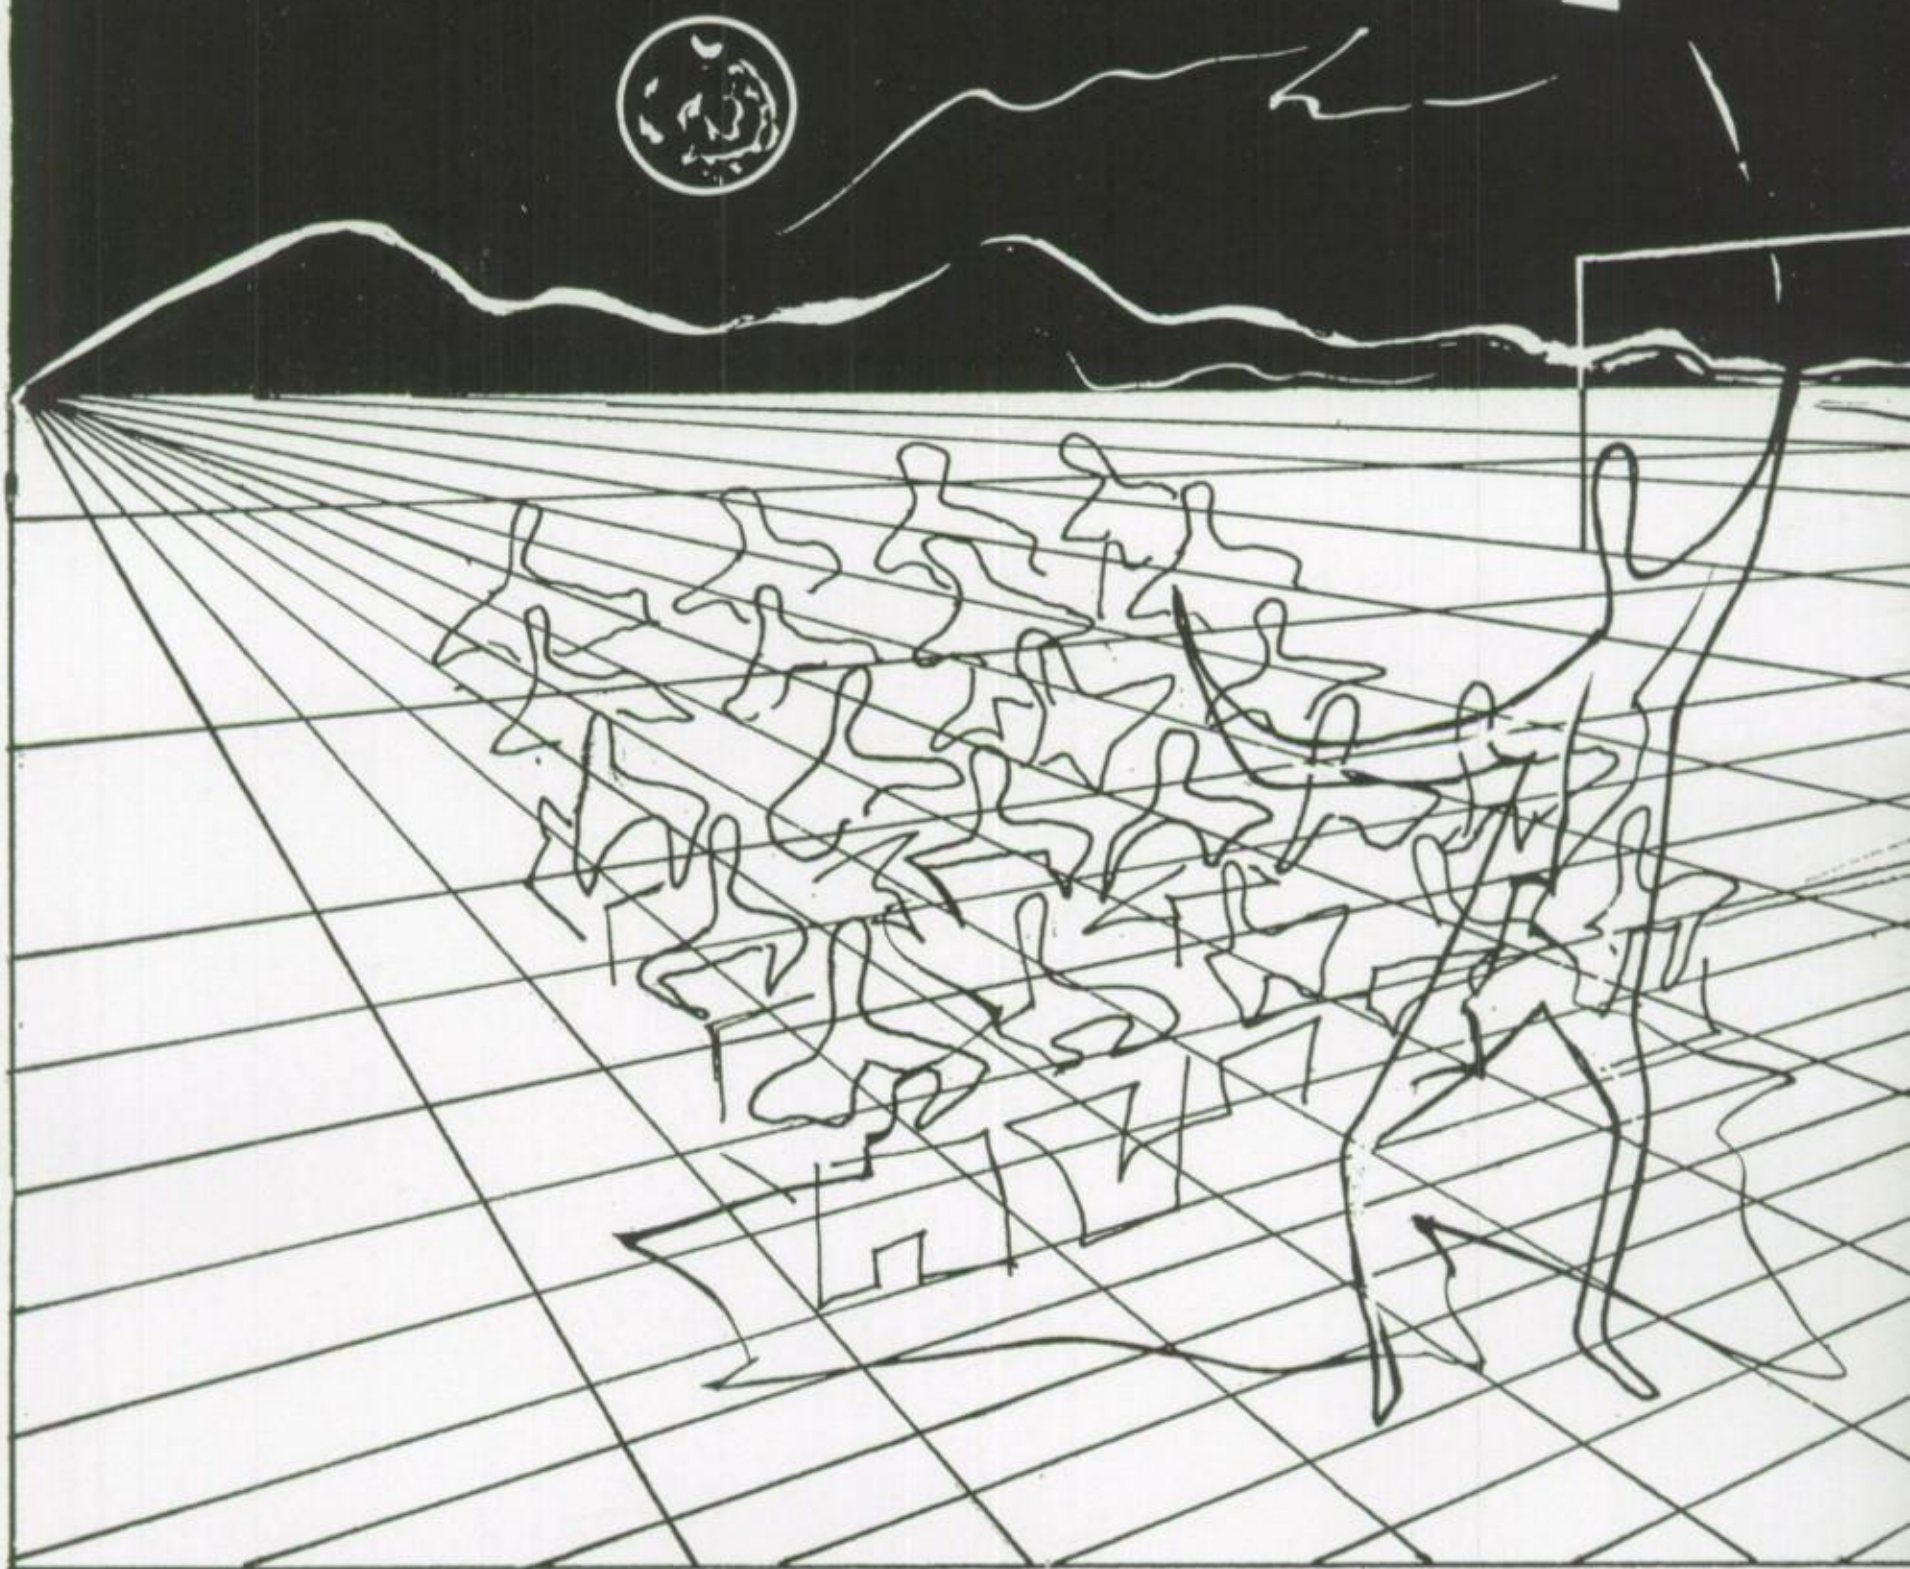

MR. ARTHUR B. HIMMELBERGER

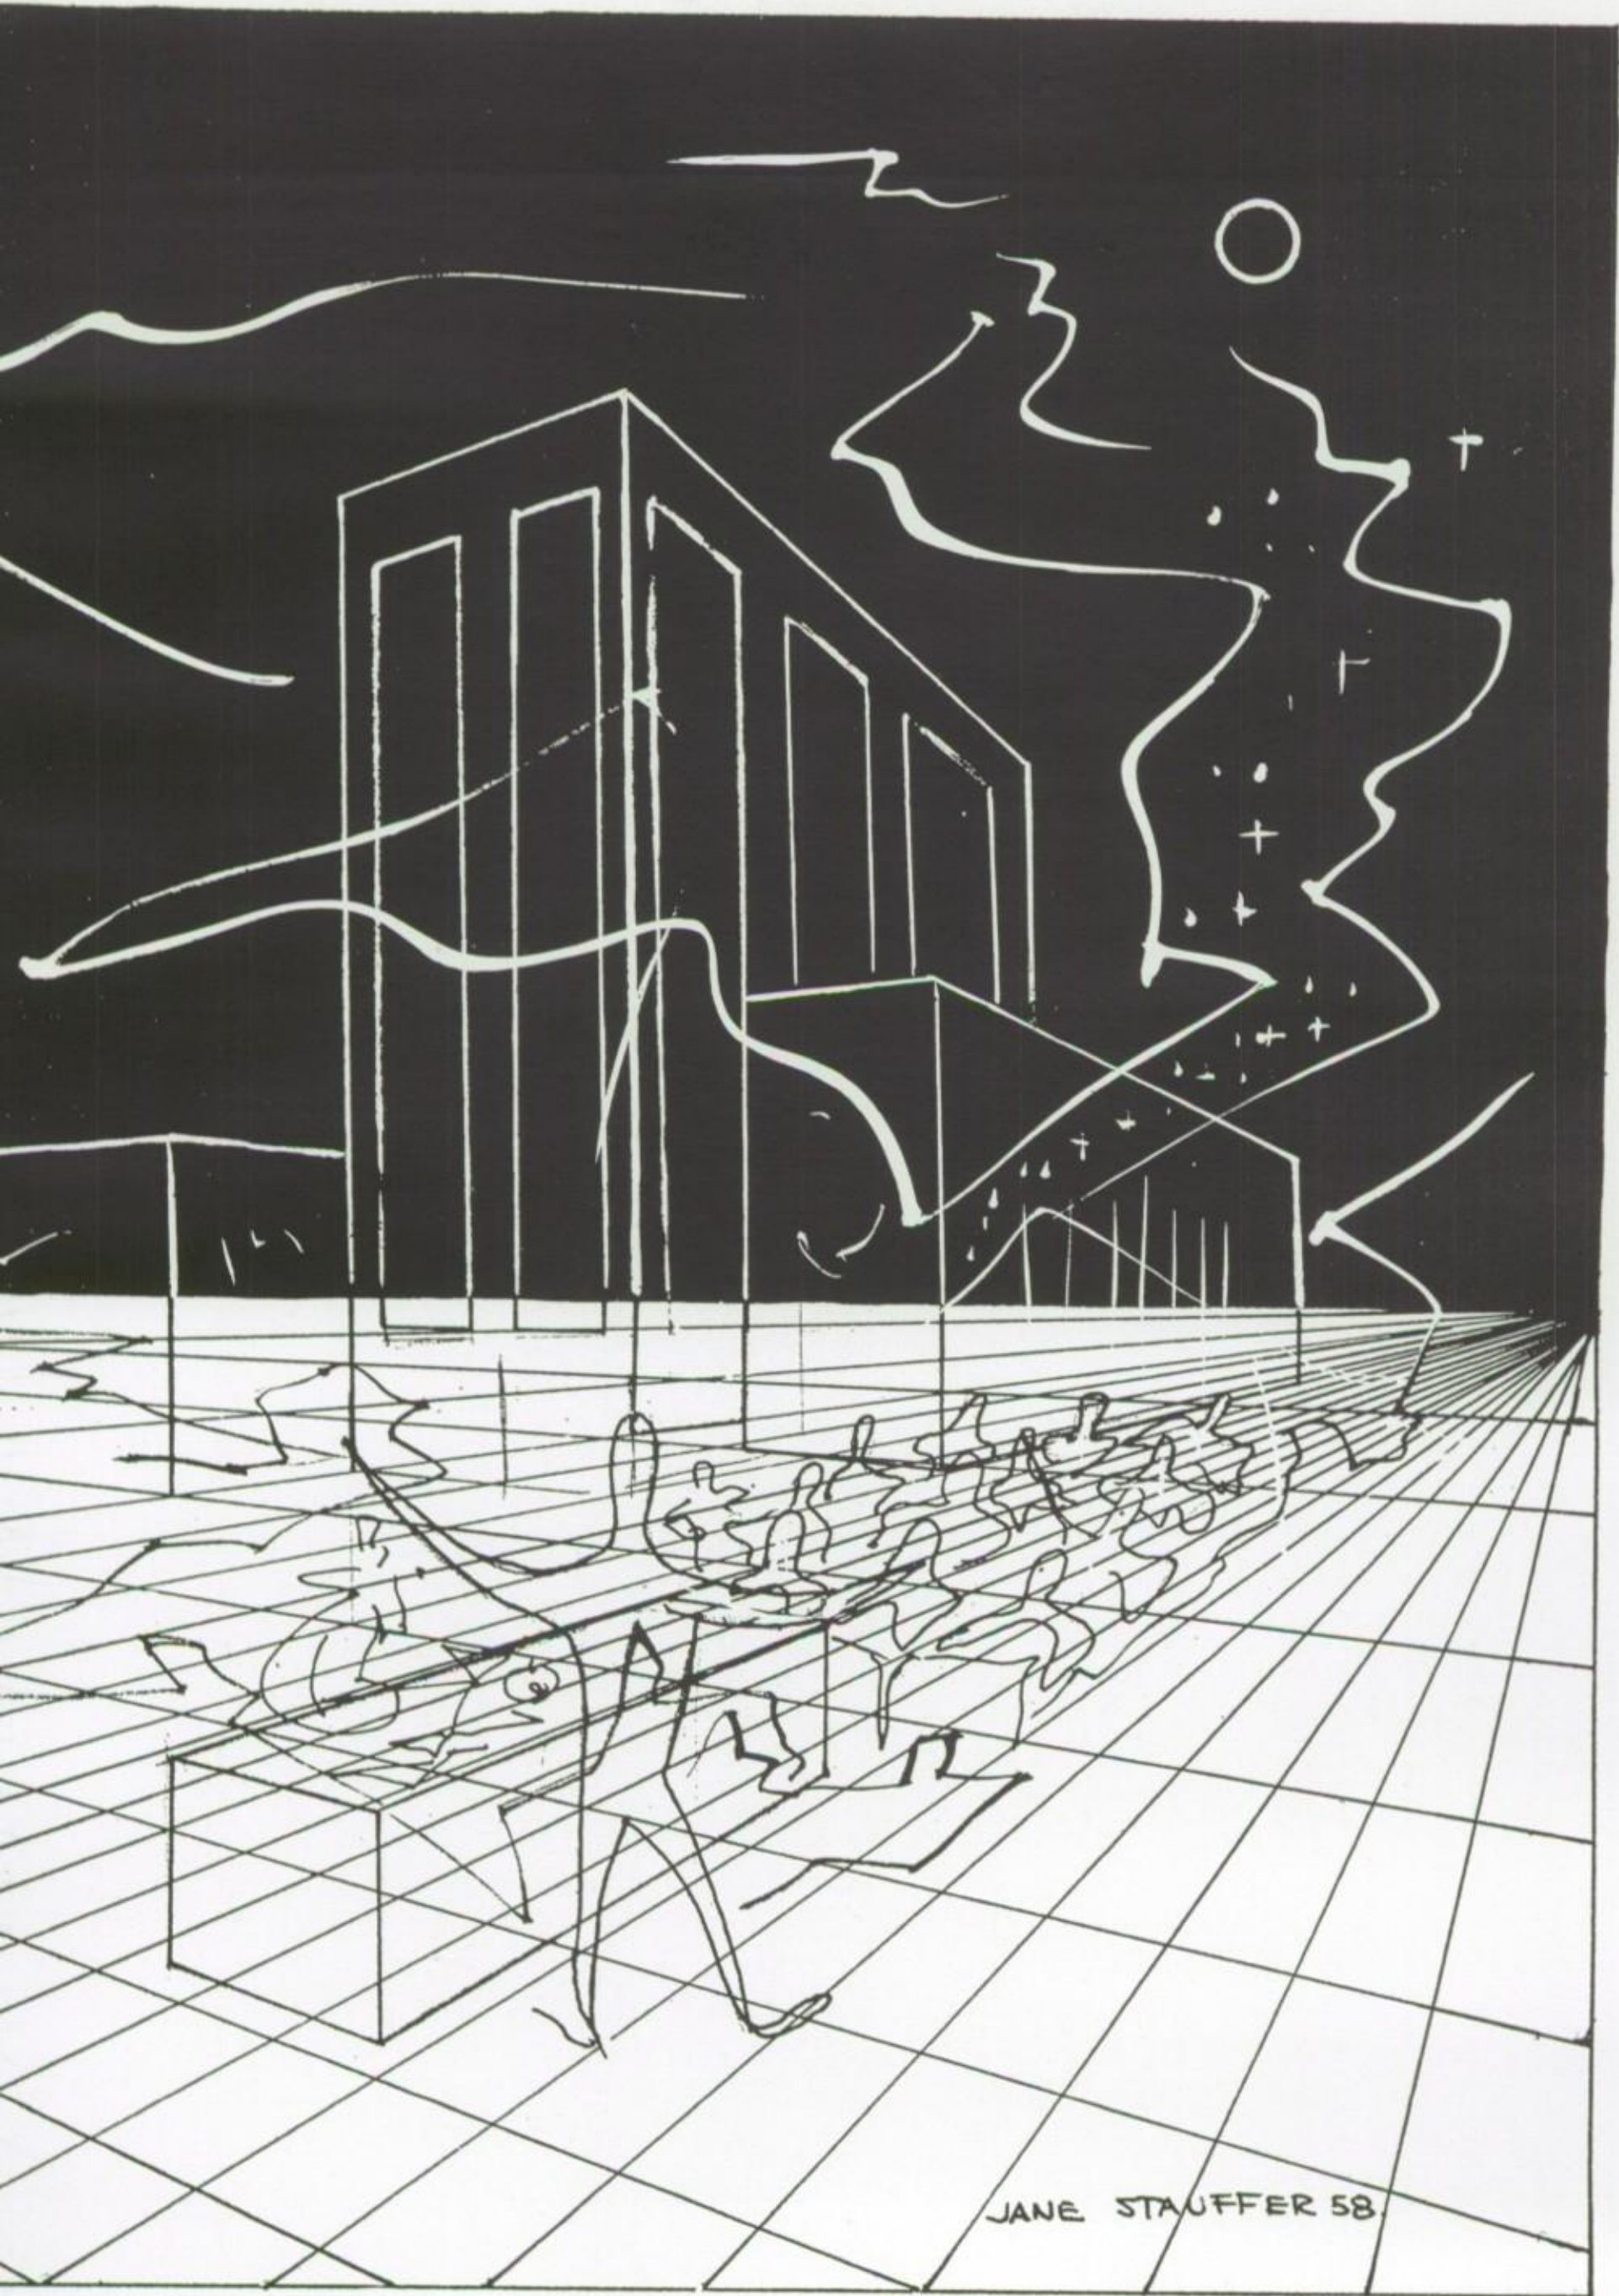

Year after year classes have graduated from West Reading High School. Each class cherished thoughts of the joys and sorrows which they had experienced during their school years. As they embarked upon their future lives, their memories of West Reading High School always burned brightly.

Such memories, too, will linger in the minds of the "Class of 1958". We, too, have many pleasant thoughts of our school years and we, too, will take many fond memories with us. One of our fondest memories will be of our principal, Mr. Arthur Himmelberger. We will never forget his willingness to help us with our problems, his capability in assuming the position of high school principal, his lasting cheerfulness, and his influence in leading the student body towards a more worthwhile and wholesome life.

We, therefore, take great pride in dedicating the VAQUERO of 1958 to Mr. Arthur Himmelberger.

FACULTY

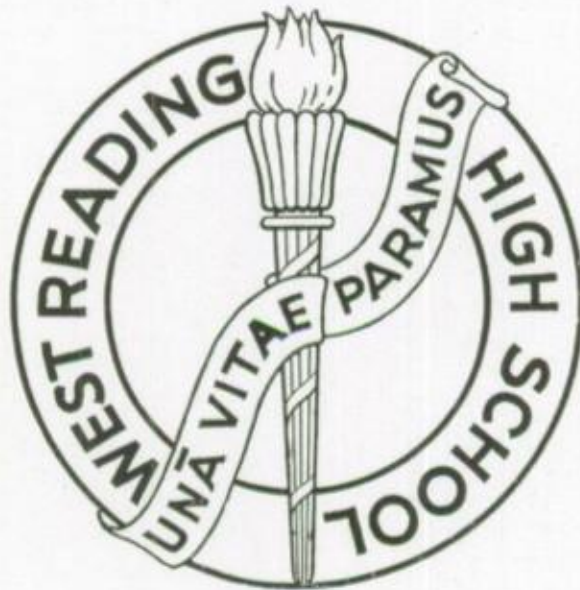

JANE STAUFFER 58

School Board

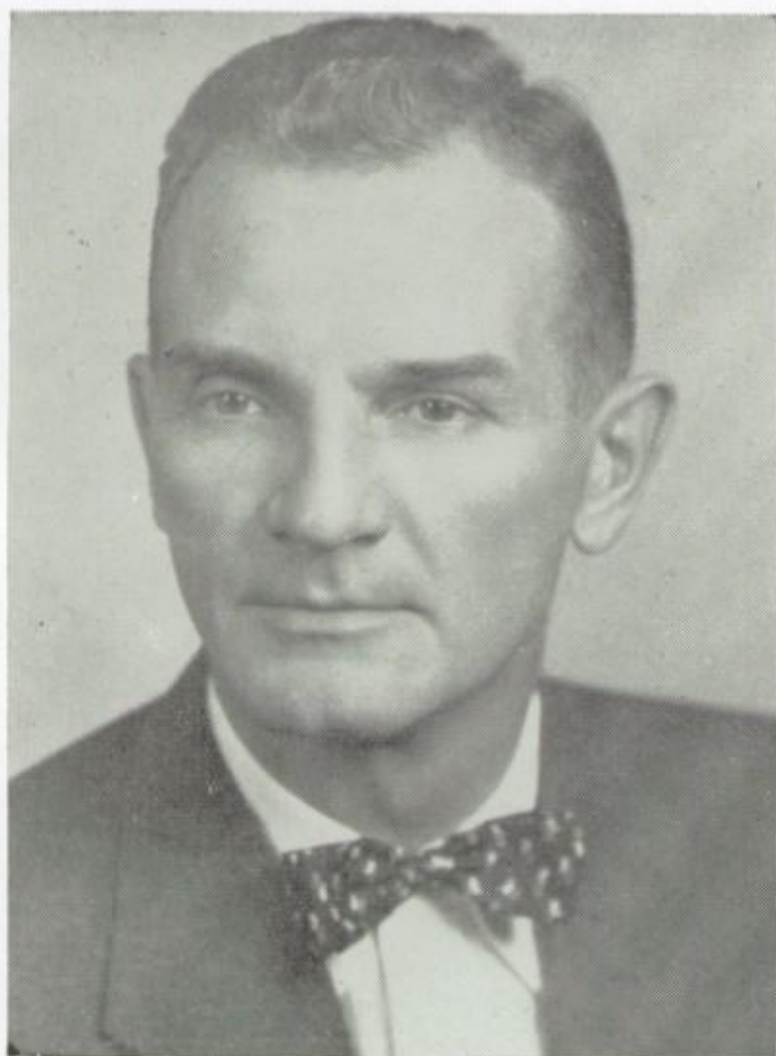

SEATED—(left to right): Herbert Parsons, Ralph Hettinger, Winifred Brunner, Lee Wolfe, Elizabeth Goodwin. STANDING—Richard Doll, C. Harold Albitz, John Speicher, Solicitor; Charles J. Stauffer.

The Board of Education is a little known, although important, part of a high school. The Board keeps everything in the school moving smoothly.

The members of the School Board are elected by the voters of West Reading, and they give their time and efforts to making W.R.H.S. a better school. They gladly contribute their services and receive no remuneration. We salute the School Board for the fine job it is doing.

Mr. Charles J. Stauffer
SUPERVISING PRINCIPAL

CLASS OF 1958

It is a pleasant privilege to extend congratulations of the faculty to members of your class. Your many interests and activities have been a credit to both yourself and your school.

This Annual marks another step in the completion of your high school career. During it, you have encountered many experiences, some depressing, some exhilarating, but all have served to motivate you in the preparation for a better future.

Education is not merely the acquiring of a fund of information or a broad learning; it is more. It is the inculcation of the functioning life ideals that prompt right conduct and dignity on all occasions.

School's end in 1958 is the beginning of a new experience; and although sorry to see it end, we are happy about the security of your preparation.

Congratulations on a job well done.

C. J. Stauffer,
Supervising Principal.

CLASS OF 1958

..... And finally it happened!!

At 10:48 P. M., January 31, 1958, at Cape Canaveral, Florida, army scientists launched the earth-satellite, "Explorer", and successfully placed it in orbit. Truly this was the scientific miracle of the age — next to Salk Vaccine.

The Class of 1958 selected the very timely theme for this yearbook months before the event occurred. May such wisdom and foresight go with you always.

How very similar to the "Explorer" is the launching of a high school graduating class, as they are thrust from a well-prescribed, orderly, carefully planned instructional program into an orbit where they are propelled primarily by their own ingenuity and resourcefulness. This new experience takes place in a sphere of activity which is climatically more turbulent than anything they have ever known. The trial and error learning atmosphere gives way to the practical application of self-reliance in a world where production is the barometer of success.

I sincerely hope the transition will be a matter of smooth sailing. To insure an even keel, keep your thoughts brotherly; your word kindly; and your deeds praiseworthy and noble. May all your "New Horizons" be beautiful and peaceful.

Keep your head in the clouds and both feet on the ground!

Mr. Arthur Himmelberger,
High School Principal.

"New Horizons", the chosen theme of our yearbook, signifies the future hopes of the class of 1958.

A featured project, to earn money for the seniors' trip to New York, was a dance held in September. This dance proved to be a success, both in monetary and recreational values.

As this year draws to a close we are reminded of the seniors' many contributions to the sports and activity programs in our school.

Seniors participated in football, baseball, track, basketball, cheerleading, and hockey. Each senior member of a team added inspiration and worth, spurring that team on to victory.

This class also had participants scattered in various activities and service organizations throughout the school. Many seniors spent time after school hours rendering their services to the VAQUERO, LARIAT, Student Council, and National Honor Society.

The senior class was guided through its last year in high school by two very capable teachers, friends, and advisors: Miss Sandra Hippert and Mr. Kenneth Ness.

Now each and every member of the class of 1958 turns their thoughts toward the future. Just what will their "New Horizons" be?

Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time.

Footprints, that perhaps another,
Sailing o'er life's solemn main,
A forlorn and shipwrecked brother,
Seeing, shall take heart again.

Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

Longfellow.

"Good things come in small packages," has been proven so far this year by the "Class of '59", numbering less than thirty-five.

"Christmas Delight", the juniors' first dance for junior-senior high, was held in December. With the co-operation of the whole class the dance proved a huge success, both in social and economic value.

Washington, D. C. was the destination for the "Class of '59" in the spring, for their class trip.

Many juniors participated in sports, and in almost every activity offered there was a junior present, trying to prove his worth.

While waiting to fulfill the shoes of the retiring senior class in September, the juniors were guided through eleventh grade by advisors, Miss Mabel Fritz and Mr. Alexander Campbell.

The "Class of '60" completed a successful year which included a dance and a class trip to Philadelphia.

The class had participants in many activities such as VAQUERO, LARIAT, MacDowell, Junior Red Cross, Band, Monitors, Orchestra, and many others.

The girls participated in field hockey, basketball, and cheering; while the boys used their ability in basketball, football, baseball, swimming, and track.

The "Class of '60" will always remember Mr. Roy Bilger and Mr. William Dowling as their very capable advisors in their first year of senior high.

During the past school year, the "Class of '61" chalked up a successful and prosperous term as freshmen in the high school. They proved invaluable in rendering service to many and varied school activities, as well as carrying their regular curriculum.

Athletic activities seemed to be especially popular with this class. Quite a few of the freshman boys participated in junior high basketball and were also represented on the varsity basketball team. The freshman girls had participants in hockey, basketball and junior varsity cheering.

The National Honor Society was reached by eleven members of the freshman class, five of whom were inducted in the Junior Chapter in February. Student Council and the Council Committees included members of the "Class of '61". A number of class members displayed journalistic ability as members of the LAR-IAT CLUB. The freshman class has enthusiastic members and hard workers in many other school activities.

Mrs. Helen Bolton and Mr. Gerald Schaeffer, who were the ninth grade home-room advisors, successfully guided the "Class of '61" through the hazards of the year.

A historical trip through Berks County was scheduled for the first quarter of the eighth grade agenda. This tour was canceled, however, because of the flu epidemic.

The members of the eighth grade class have now turned their interest toward their spring class trip to Gettysburg. There they visited the many famous landmarks of a once great chapter in our history. This class also visited the museum, chocolate plant, and amusement park at Hershey.

Many activities claimed a portion of the eighth graders' time. Among those that the class participated in were the Junior National Honor Society, Student Council, and the Debating Team, plus many other scheduled activities.

The eighth grade class was under the capable guidance of Mrs. Mary E. Gresh and Mr. E. H. Manwiller, who did a splendid job supervising this class.

Advancing from the elementary building to the high school was quite a new experience for the seventh grade.

Under the capable leadership of Mr. John Shalter and Mr. James Waldron, this class learned quickly what was expected of them in junior high school.

The seventh grade pupils found a great variety of activities to join and await even a greater selection on their climb to the senior spotlight.

"Oh, he's a member of Student Council," is a remark usually made with awe. Student Council is the student governing body of our high school with each homeroom having a representative. Officers are elected by popular vote in an open election in the spring of the year.

Student Council sponsored many projects during the year. This year selling Christmas cards and the sponsoring of a dance were two important projects. Continuing from last year is the "personality of the month" contest, pep rallies, and a collection of student ideas from the suggestion box. Another small but important project started this year is a check room for coats at basketball games.

Governor Mifflin High School was the scene of a Berks County Convention attended by the whole Student Council on November 21. The advisors accompany students on all trips. Mr. William C. Dowling accompanied Jack Moyer and Edward Kuhn on a three-day convention at Kennett Square; and Mrs. Jeanne C. Smith, along with Terrence Seidel and James Walker, visited Penn State for the Student Council Workshop during a week in August.

National Honor Society

FIRST ROW—(left to right): Mrs. Gresh, J. Rickenbach, C. Poole, T. Young, S. Clewell, Miss Fritz. SECOND ROW—L. Keller, J. Goodhart, C. Hass, J. Hetherington, L. Gehret, L. Fisher, K. Potteiger, R. Crocona, S. Poetter. THIRD ROW—J. Cremer, W. Ruemmler, C. Yoder, L. Romig, R. Gilbert, T. Hegarty, J. Moyer, G. Balmer.

Membership in the National Honor Society in the senior high school and the National Junior Honor Society in the junior high school confers distinction on those students who are outstanding in scholarship, leadership, service, and character. Since the groups are small, most of the activities are carried on jointly.

Each year students are selected for membership from grades eleven and twelve, and eight and nine. From office records Mr. Himmelberger compiles a list of those eligible scholastically; then all teachers evaluate them on the basis of leadership, service, and character. Induction takes place at an evening ceremony with parents and faculty as guests and is followed by a social hour.

In our school the National Honor Society is not primarily a service organization, but students attain membership because of their outstanding service in various areas. Among group activities in the past have been sport hops, formal dances with honor societies from other schools, assembly programs, Holy Week devotions, and a party at the year's end in honor of senior members.

Under the leadership of Ronald Smith, editor, and Mr. Roy Bilger, advisor, the VAQUERO has completed another successful year at West Reading High School. The theme, "New Horizons", served as a nucleus for the yearbook. The two tone blue cover is symbolic of the graduating class's colors.

"Comet Capers", the VAQUERO'S November dance, proved to be a worthwhile venture from social and economic views. The dance was highlighted by a huge rocket ship and a blue and white ceiling. Other monetary sources were the selling of ads and soliciting of patrons.

In March the VAQUERO was represented in the Literary Conference at Central Catholic High School by Mary Alderman, the editor of the 1959 VAQUERO. Mary spoke on the topic, "Layout of Your School Yearbook".

Within the boundaries of space is the school newspaper, the LARIAT. This monthly publication serves the purpose of reporting all the school news and giving all the highlights of sports events. Various other features add spice to the newspaper.

This year the LARIAT was granted membership in the Quill and Scroll, a literary organization. Under the leadership of Mrs. Helen Bolton and Mr. Kenneth Ness, the members of the staff strive to publish a newspaper which will satisfy all people.

One of the most worthwhile organizations in our school is the Junior Red Cross. It does much for the people in Berks County and surrounding areas. One of the projects completed during the club's Monday morning meetings was forty-four Christmas stockings filled with numerous articles useful to Berks Heim guests, distributed by a committee from our chapter. The Wernersville State Hospital recreational hall was decorated by the organization on Valentine's Day. Other articles completed included bibs, woolen stoles, and bedroom slippers. The last project this year was the filling of a chest for some needy school somewhere in the world. All these projects were directed by Mrs. Mary E. Gresh.

Working for the improvement of the club and planning the work is the function of the Junior Red Cross Council which meets every two weeks. Members of the council are: Barbara Entzminger, Joyce Holtzman, Kay Potteiger, Charlotte Wentworth, Margaret Gardner, Eric Summons, Diane Rickenbach, and Carol Shuker.

A big event which the Red Cross plans for is their supper at which time the organization entertains some of the administrative officers of our County Chapter.

Something to boast about is that twenty-eight of the total membership have taken Staff-Aid Training at the Red Cross Center in Reading. Those that become Staff-Aids do volunteer work for a certain number of hours. There are many different phases of volunteer work such as typing, participation in the swimming program, and rendering special duty at Berks institutions.

When the students returned to school for the 1957-58 term, they discovered many new improvements. One of the most fascinating and most useful was the Executive Intercom System.

The system consists of two-way speakers which were installed in each classroom of the high school and elementary school, the gymnasiums, and the auditorium. All messages are relayed from the main speaker which is located in Mr. Himmelberger's office. The intercom is operated by high school students who have volunteered for the duty.

The intercom also has radio and recording attachments which were used extensively throughout the year. The machine has proved invaluable for it reduces much tedious work. It is definitely a credit to our school.

The MacDowell Chorus is composed of senior high school students who were selected through vocal tryouts.

The MacDowell Chorus participated in school and community programs during 1957-58. The American Education Week, Christmas, and Easter assemblies were a few programs in which the chorus was featured. MacDowell also took part in the annual Christmas Tree Lighting at the Fifth Avenue traffic circle.

Several members of the club were chosen to participate in Senior County Chorus. Those who participated were: sopranos, Carol Hagenbuch and Anita Dundore; altos, Janice Bowers and Elinor Kissinger; tenor, Walter Savage; and basses, Edward Goodwin and Walter Ruemmler. Furthermore, Carol Hagenbuch was selected to attend a three-day stay in District Chorus at Palmerton.

The Girls' Ensemble is composed of eight girls from the MacDowell Choral Club. The ensemble took part in several assemblies, the spring concert, and PTA.

The annual spring music concert, presented by the vocal music organizations under the leadership of Mrs. William C. Dowling, was given on March 28.

The West Reading football team suffered one of its most disasterous seasons.

The team lacked depth and experience which is indicated by the fact that only three members of the squad were lost through graduation.

We feel confident that things will be looking up — football wise — in the near future at West Reading High School.

Timothy Young and Ricardo Scalese gained personal recognition in being selected on the Berks All-County Football Team.

The girls' hockey team, under the guidance of Mrs. Jeanne C. Smith, compiled a record of 3 wins, 4 losses, and 1 tie.

Although facing odds of bad weather, postponements, injuries, and sickness, the Cowgirls can credit their victories to teamwork and spirit. Outstanding defensive play was shown by Lynne Potteiger, Barbara Entzminger, and Barbara Wills.

The most outstanding victory was over Exeter whom the Cowgirls defeated by a 2-0 margin. The Cowgirls were especially proud of this victory because in their first encounter with Exeter they had defeated us by that same score.

Diane Bohn was the team's high scorer with 6 goals followed by Barbara Strause, with 2; Mary Ann Gajewski, with 1; and Rosalie Crocona, with 1. The Cowgirls scored a total of 10 goals to their opponents' 11.

Lynne Potteiger and Diane Bohn served as co-captains.

The Cowboys initiated the season with five exhibition games before beginning the regular season.

Although the team met many obstacles at the start of their schedule, West Reading moved into the number three position, which was shared by Wilson. West Reading went undefeated in the second half of their schedule to take an undisputed second place in the league.

Led by the backcourt play-makers, Jerry Wentworth and Rick Scalese, and aided by the offensive talents of Doug Brunner, Tim Young, and Ed Kuhn, the Cowboys were victorious over the Governor Mifflin Mustangs. At the end of the regulation game the score was deadlocked at 54. In the overtime period the scoring punch of Ed Kuhn and Ron Krick led the Cowboys to a 60-58 victory. Then the boys conquered their biggest rivals and league leaders, Wyomissing, by defeating them 69-67.

The continuous momentum of the Cowboys' winning streak proved to be too much for Wilson as West Reading lassoed the Presidents by a score of 62-43.

The team proved their sensational playing ability by maintaining a 64 point average per game. Ron Krick led the scoring parade with 463 points, a new Berks County Basketball Conference mark.

RON KRICK

Ron, who is fifteen years old and a freshman at West Reading, broke the previous record of 460 points, held by Barry Boyer of Brandywine Heights.

Standing at 6' 6", Ron started his basketball performance in eighth grade while playing with the junior high team, which went on to capture the championship. Now with the varsity, Ron led them to an undisputed second place. His top scoring feat was against Schuylkill Valley, at which time he compiled 53, a new West Reading one-game mark.

Ron was chosen for the All-Berks Conference Basketball Squad selected by the coaches of the Eastern and Western Division and the Times' sports scribes.

In the Thirty-First Annual Bloomsburg State Teachers College Invitational Basketball Tourney Ron was selected as one of the ten top players of the tournament. Everyone is looking forward to seeing Ron play more spectacularly next season.

BLOOMSBURG

The Cowboys of West Reading entered the Thirty-First Annual Bloomsburg State Teachers College Invitational Basketball Tourney at Bloomsburg. The team competed with schools of that area to attempt to win the Class C Championship.

WEST READING vs. CATAWISSA

The Cowboys, paced by the brilliant performance of Ron Krick, downed the Lions from Catawissa in the March 4th round of Class C games by an 80-61 score.

After trailing by six points at the end of the first quarter, the Cowboys came to life to lead at the halfway mark by a 35-30 score. In the second half West Reading continued to blast the nets with a fury of points which Catawissa was unable to subdue. Brunner and Kuhn added fuel to the fire by contributing 14 points each.

WEST READING vs. ST. ANN'S

West Reading again defeated their opponents, St. Ann's, the score being 69-50. This gave the Cowboys the right to enter the finals at the tourney.

Trailing 26-24 at half-time, the team scored four quick baskets in the opening minutes of the second half to grab the lead. This margin was maintained the remainder of the game.

Ron Krick was the big difference in the game as he scored 38 points and controlled the boards. Once again Doug Brunner and Ed Kuhn helped pave the way to victory with their fine defensive play.

WEST READING vs. RINGTOWN

The tussle between Ringtown and West Reading marked the finals of Class C Division in the Bloomsburg Tournament. The game was nip and tuck all the way as both teams battled hard for an advantage. The score was deadlocked at 12 at the end of the first period. Then the Cowboys threatened to make a run-way of it as they managed to rip the cords for 21 points in the second quarter while Ringtown could only score 10. The end of the first half showed West Reading out in front by a score of 33 to 22.

With the start of the second half Ringtown immediately put a full court press into effect. The Mustangs of Ringtown refused to let up and soon found themselves in the lead.

Ron Krick, who was chosen for the All-Tourney Team, fowled out with six minutes remaining in the final quarter. This seemed to be the big difference as the Mustangs went all the way to win by a score of 62 to 57 to become the Class C Champions. As second place winners West Reading received a gold trophy.

SECOND ROW—W. Poole, R. Geiss, R. Gingrich, Mr. Campbell, M. Formicone, E. Heinz, T. Heist.

The junior varsity basketball team compiled a record of 10 wins and 12 losses. Although the team was inexperienced, they put forth fight and spirit, but lost quite a few games by a small margin of points.

The Junior Cowboys were led by the shooting ability of Mike Formicone with 267 points and Ed Goodwin with 211 points. Both are sophomores on the team. It is evident that the team will be stronger and more experienced next year.

The Cowgirls' 17-game winning streak came to a halt when the Pixies of Wilson defeated the Cowgirls by a 35-20 score on Wilson's home court. The girls had speed but inaccuracy in their shooting, especially fouls. The girls proved their ability when they faced Muhlenberg and conquered them in two overtime periods by a score of 18-19.

The outstanding defensive playing all season was by the starting guards, Lynne Potteiger, Linda Romig, and Elinor Kissinger.

Lynne was a "tall" difference in the games by the blocking of shots and the intercepting of passes.

The Cowgirls, under the direction of Mrs. Jeanne C. Smith, compiled a record of 4 wins and 6 losses. The girls compiled 269 points to their opponents' 276.

Varsity Cheerleaders

Any girl in ninth through twelfth grade is eligible for the varsity cheering squad. Tryouts for the squad are conducted in the spring when candidates learn the cheers at this time. The girls are chosen by Mrs. Jeanne C. Smith, advisor, and the senior members of the previous varsity squad. Six girls are selected for the varsity and six for the junior varsity.

Varsity cheerleaders this year were Pat Miller, Rosalie Crocona, Joan Rossi, Lynne Potteiger, Elinor Kissinger, and Mary Alderman. The squad will lose four members who are seniors. Joan Rossi and Mary Alderman, the remaining members, are only juniors. This year the squad's captain was Lynne Potteiger.

The girls were extremely active this year as they participated in seven football games, twenty-six basketball games, and several pep rallies! Of the twenty-six games, three included the Bloomsburg Tournament. At the tournament the squad was entered in a cheering competition to vie for a trophy for the best Class "C" Cheerleaders. Although the girls didn't win the trophy, they displayed fine sportsmanship, spirit, and ability as they cheered the boys on to victory.

Cheerleaders must maintain a good scholastic average and abide by certain rules. It's interesting to note that four out of the six girls are members of National Honor Society.

Junior varsity members who will be competing for a berth on the 1958-1959 squad include Lynda Reichert, the captain; Bonnie Betz, Ruth Kissinger, Phyllis Weiss, Donna Devine, and Joan Hetherington. The J. V.'s participated in basketball games and pep rallies.

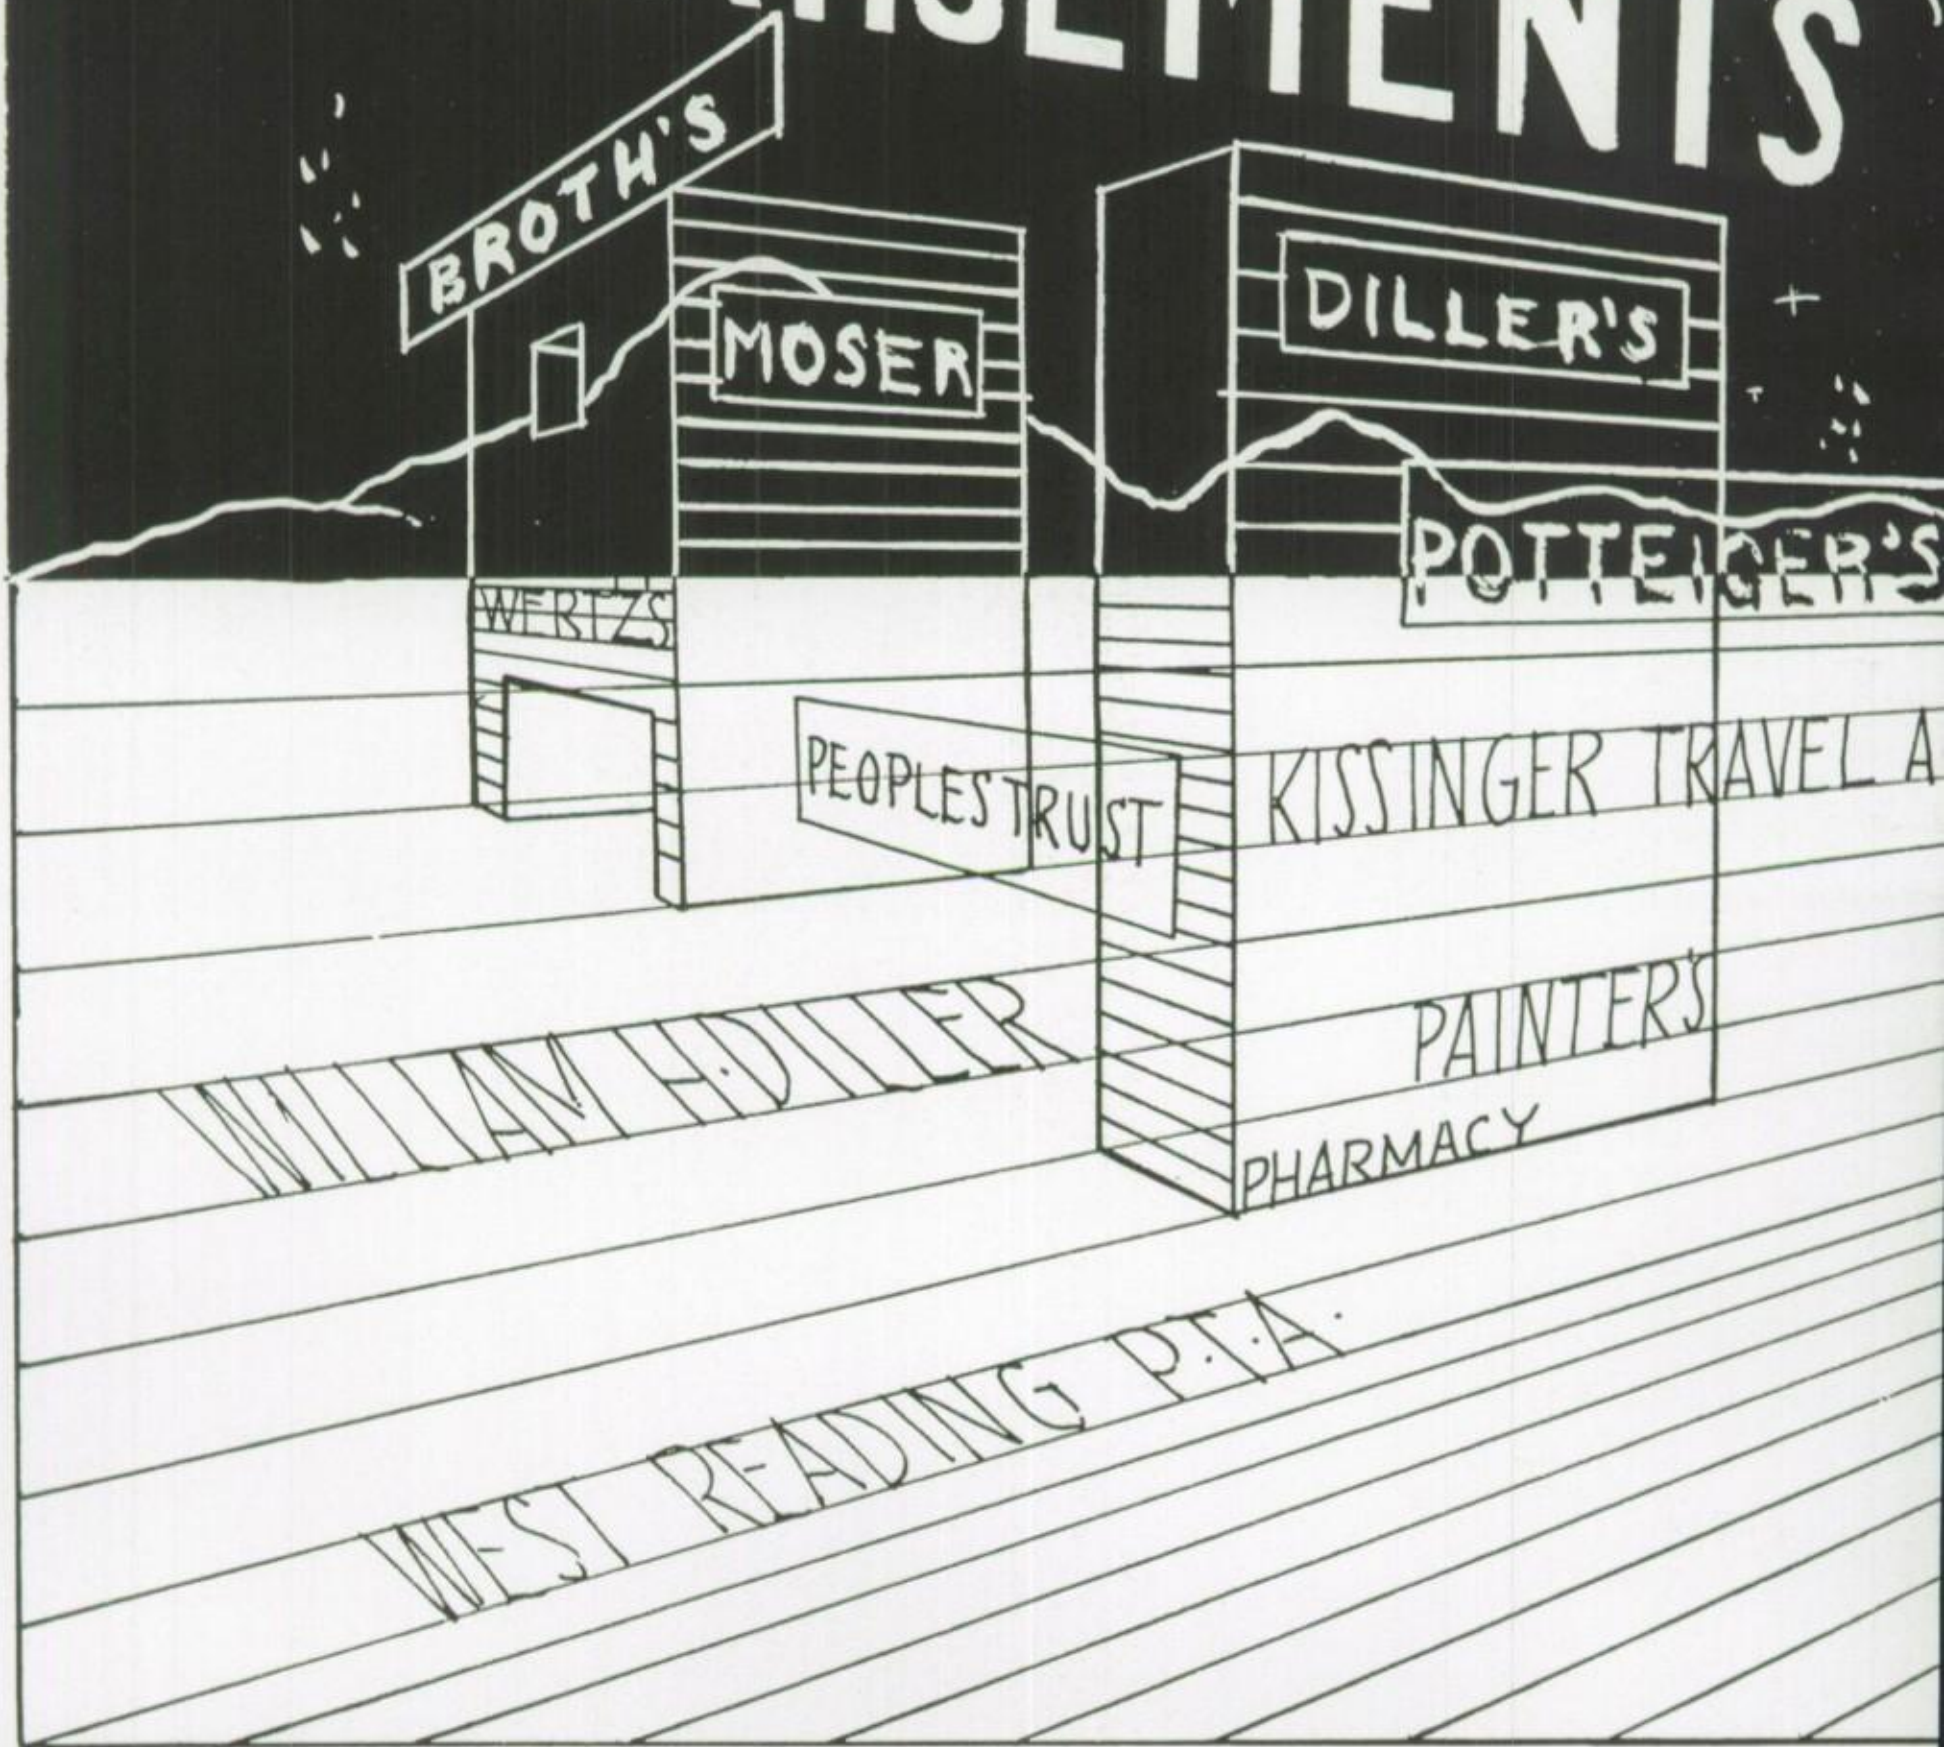

LEFT TO RIGHT—M. Alderman, E. Kissinger, L. Potteiger, P. Miller, R. Crocona. ABSENT—J. Rossi.
